IT'S SIMPLE TO SWITCH.

Here are five simple steps to switch your bank accounts to MTEFCU:

1. Open your new MTEFCU account(s):

Stop by an MTEFCU branch (Houghton, Hancock or Pelkie) to open your account. Make a note of your account number and routing number.

2. Stop using your old accounts:

Let all your checks clear. This could take up to 10 days. Destroy any unused checks, Debit/ATM cards and deposit slips.

3. Change direct deposits:

All the forms you need are in our online or in-lobby Switch Kit. Simply fill out this form and give it to your employer, the Social Security Administration or your retirement plan. Include a new deposit slip or voided check.

4. Change automatic payments:

Use our Switch Kit form to change all automatic withdrawals or automated payment services. Use the handy checklist on the opposite page of this brochure. Don't forget about debit card automatic payments made online.

5. Close your old accounts:

Send in the Account Closure form to close your old account. If, after all your checks have cleared, you have a remaining balance, your old bank will send a check to your new MTEFCU account. It's as simple as that!

Easy Web/BillPay Checklist

Are any of the following expenses paid automatically? If so, change each account--replacing your old bank account number with your new MTEFCU account number:
