

Online Banking – First Time Login for Current Online Banking Users.

With our new system, members will be able to login from our home page – <http://www.mtefcu.org> – by entering their LOGIN ID in the box located on the left hand side of the page and clicking the green LOGIN button.

The first time you log in to our NEW site your LOGIN ID will be your *account number or member number*.

You will then be directed to a new page where you can enter your Online Banking Security Code and verify your Personal Identification Image. Enter your Security Code and click the Submit button.

The first time you log in to our NEW site your *initial* Security Code will be the first **3 letters** of your last name in *CAPS* and the last **4 digits** of your social security number.

For example, Joe Smith's social security number is 123-45-6789. His *initial* security code would be **SMI6789**.

The first time you log in to our NEW site, after changing your LOGIN ID and Security Code:

1. You will need to set up a new LOGIN ID and Security Code.

Login IDs can have between 6 and 12 alphanumeric characters

Security codes must have between **7** and **10** characters and include *at least* one letter and *at least* one number or the following special characters: **!"#\$%&(*)+,-./;<=>?[\\]^_`{|}**

2. You will need to select a Personal Identification Image and establish answers to 3 security questions.
